Dear Service Providers of Southern California,

This letter is an invitation to participate in the upcoming SoCal Day of HOPE community outreach. On August 19, 2017 area businesses, churches and agencies will participate in The SoCal Day of HOPE Outreach to extend a helping hand to guests of honor including struggling families, single moms & dads, the underprivileged, and unemployed. On this special day, at multiple locations in Southern California guests from across our communities will receive free groceries, health services, community services, prayer, live entertainment, lunch, games and activities for children, and more! This year's regional outreach will be held in Orange, San Diego and Los Angeles counties. It's one outreach held on the same day in multiple locations (one per county). The venues will be in the City of Santa Ana at Centennial Park 3000 W. Edginer Ave., Lots 5 & 6 and in the City of San Diego at Ruocco Marina Park, 585 Harbor Lane. This year we are partnering with Disciples on the Move Ministry and added their location in LA county at Venice Beach (Intersection of Winward & Pacific Ave.). For more information please visit our website at www.socaldayofhope.com or contact us at 1-855-673-HOPE (4673). The key to the success of this community outreach is the uniting of local businesses, churches and community service agencies to bring awareness and HOPE to those in despair and need.

It is our goal to reach a minimum of 1,500 people between the three locations. To do this we asking the agencies to help if able with getting the people they serve to sign up to be picked up and transported to and from the venues. If you can help with getting the word out and having people sign up, or if you can help with transporting users of your services to and from the venues or if you can serve as a pick-up/drop-off location please let us know. If you are interested in participating in the august 19th outreach please complete the attached application and return to us by July 20, 2017.

Thank you again for your commitment to serve our communities!

Sincerely,

Nellisa Lockley - 714-788-8641
